

4TH EDITION

EPS

ENERGY EXPO

Electrical | Power | Solar

11-12 & 13 Dec 2026

Auto Cluster Exhibition Centre,
Pimpri Chinchwad, Pune,
Maharashtra

INDIA'S PREMIER B2B ENERGY EXPO

BUILT FOR THE FUTURE OF ENERGY

POWERING THE NEXT DECADE

A&A Media Networks Pvt. Ltd.

Projects. Policy. Partnerships.

BY 2030, INDIA WON'T JUST USE RENEWABLE ENERGY – INDIA WILL RUN ON IT.

**500 GW
RENEWABLE
ENERGY CAPACITY
BY YEAR
2030**

**INVESTMENT
OF
₹30–35 LAKH
CRORE
(US\$360–420
BILLION)
BY 2030**

**45–48 GW
RENEWABLE
CAPACITY
ADDED IN A
SINGLE YEAR
(2025)**

**50% OF
ELECTRICITY
FROM NON-
FOSSIL
SOURCES BY
2030**

**NET-ZERO
COMMITMENT-
2070**

“FROM 75 GW TO 500 GW – INDIA’S RENEWABLE JOURNEY IS DEFINED BY SCALE, SPEED, AND AMBITION.”

Key Initiatives

CXO

CXO Roundtable

High-Level Meeting with India's Top CXOs in Energy and Sustainability

**Women in
Energy**

A dedicated stage for the women leading the energy sector in India

**Energy
Conference**

Promoting policy through an innovation-led buyer–seller knowledge forum

The Event Is Estimated To Attract in 2026

Not just an event — a platform where energy decisions happen

**Trade Visitors
15000+**

**Brands
200+**

**Delegates
350+**

**Exhibit Area
10500 sqm+**

Post Show Report 2025

Industrial Outlook® Successfully concluded the 3rd edition of EPS Energy Expo 2025, reaffirming its position as a leading renewable energy and electrical industry platform

Brought together key stakeholders from the power & renewable energy ecosystem including policymakers, EPCs, developers, manufacturers, utilities, investors, and technology providers

Successfully reinforced EPS Energy Expo as a catalyst for growth, collaboration, and knowledge exchange

Provided exhibitors with direct access to decision-makers and qualified business leads

Facts & Figures 2025

Key Benefits for Exhibitors & Sponsors

Unmatched Industry Visibility

Lead Generation & B2B Matchmaking

Access to Key Government & Corporate Stakeholders

Brand Positioning in a Growing
Market

Launchpad for New Products &
Technologies

Participation in High-Level Conferences

Exclusive Networking
Opportunities

Multi-Channel Brand Exposure

Contribute to a Greener Future

Media & Press Coverage

Visitors Profile

- Developers
- EPCs
- Project Managers
- Manufacturers
- Suppliers
- Software Professionals
- Data Center Operators
- Subcontractors
- Start-ups & Global companies with large-scale energy projects
- Utilities
- Electrical Trading Companies
- Consultants
- Construction & Rigging Companies
- Component Manufacturers
- Contractors
- Corporates
- Energy Enthusiasts
- Engineers
- Environmental Groups
- Educational Institutions
- O&G Professionals
- Architects
- Entrepreneurs
- Equipment Manufacturers
- Venture Capitalists, financial institutions etc.
- Governments and High-level decision makers
- Green Power Providers
- Architects
- Associations and Industry leaders
- Building Owners
- Clean-Tech specialists
- Code Officials
- Non-profit Organizations
- Non-Governmental Organizations
- Policy-level thinkers
- Planners
- Project Developers
- PSUs
- R & D Institutions
- Technology Developers
- Trade Associations
- Utility Providers
- Distributors
